St. Katharine's passes checks to CHOP

May 12 on the playground of St. Katharine of Siena School in Wayne, the eighth grade gave a check for \$3,000, raised on the grade's Business Day, to the Miriam's Kids Research Foundation, which is supporting a state-of-the-art brain-tumor bank at the Children's Hospital of Philadelphia.

SKS also presented the proceeds of its 2010 Dance-a-Thon, \$50,000, to CHOP.

Five-year-old Miriam Quigley died of a brain tumor in 2005. Top, from left: Bill and Helena Quigley (Miriam's parents), Dr. Peter Phillips of CHOP (Miriam's oncologist and director of neuro-oncology) and SKS Principal Bud Tosti.

Left: Dr. Phillips and student Paul Donner.
